

Recommendations

Please ask your referees to send their recommendation letters to the e-mail address appearing below.

Letters arrive directly to the applicant's folder automatically, a few moments after being sent.

Please make sure your referees follow these guidelines:

- Sending the letter as an attachment (all text in the email body will not be received by the system)
- The file size should not be larger than 5MB.
- The file name should not contain any special characters such as (“ ;).

Your referee will receive confirmation within 24 hours.

Please inform the referees that **you will not** have access to these letters.

Please ensure that the letters arrive before the deadline.

E-mail address for referees:

When you open an account, the email address will appear
